THE LANDMARK OF ENTERTAINMENT

ABOUT

ETIHAD ARENA

Etihad Arena is a brand new, multi-purpose indoor arena set on the stunning waterfront of Yas Bay, offering world-class event space and hospitality.

Iconic from the inside out, the state-of-the art arena features award-winning design detail resembling the woven meshes of the baskets from the historical Bedouin tribes of the desert and has been created with total versatility in mind. The 17,500 mixed seated and standing capacity venue offers a dynamic event space that can be easily transformed to host a variety of events from large-scale international concerts and sports games, to corporate events, private functions and local community celebrations, blending the feeling of ultimate and intimate seamlessly.

The main arena's 3,565 sqm seating bowl is easily adaptable with reduction curtains for multiple event configurations, as well as a customizable stage to cater for many different performance requirements.

For corporate and private guests, the arena's interchangeable 1,188 sqm dividable club lounge features 510 sqm of adjoining pre-function space, full in-house AV equipment and three partition walls, allowing guests to tailor-make bespoke event spaces dependent on individual needs. From small conferences, annual awards-dinners or weddings, the convertible club lounge has been intelligently designed to offer an optimal experience for every guest.

The welcoming nature of the venue is enhanced by the world-class hospitality rooted in traditional Emirati culture. From the initial booking, through to guest arrival and beyond, Etihad Arena's highly qualified team will assist with every need providing unrivalled professionalism, support and attention-to-detail.

Only seven minutes from Abu Dhabi International Airport and less than an hour away from Dubai, Etihad Arena is the ideal venue for both international and local visitors to enjoy a unique experience at this striking venue.

Proudly positioned on Yas Island, the Middle East's premiere leisure and entertainment destination, Etihad Arena will become the UAE's leading entertainment landmark and enhance Abu Dhabi's position as a global entertainment hub.

LOCATION

YAS BAY

Situated in a prime position on the southern tip of Yas Island, Yas Bay is a visionary entertainment resort district which includes two hotels, 35,000 square metres of waterfront retail and restaurants situated along a unifying boardwalk promenade and extended wharf-like pier, a state-of-the-art multi-purpose arena, and an electrifying public realm including gardens, plazas, and waterfront activities for use by residents, guests and visitors

- A globally recognized hub for media, entertainment and creative activities
- 3.2m sqft sustainable media free zone
- 24/7 production studios
- 10,000 working professionals
- Globally recognised vibrant waterfront development, featuring an integrated destination resort, retail pier, promenade and boardwalk.

VENUE OVERVIEW

Etihad Arena is a brand new, multi-purpose indoor arena set on the stunning waterfront of Yas Bay, offering world-class event space and hospitality.

Iconic from the inside out, the state-of-the-art arena features award-winning design detail inspired by the woven meshes of the baskets from the historical Bedouin tribes of the desert and has been created with total versatility in mind. The 18,000 mixed seated and standing capacity venue offers a dynamic event space that can be easily transformed to host a variety of events from large-scale international concerts and sports games, to corporate events, private functions and local community celebrations, blending the feeling of ultimate and intimate seamlessly.

The main arena's 3,565 sqm seating bowl is easily adaptable with reduction curtains for multiple event configurations, as well as a customisable stage to cater for various performance requirements.

For corporate and private gatherings, the arena's interchangeable 1,188 sqm dividable club lounge features 510 sqm of adjoining pre-function space, full in-house AV equipment and three partition walls, offering guests bespoke event spaces dependent on individual needs. From small conferences, annual awards-dinners or weddings, the convertible club lounge has been intelligently designed to offer an optimal experience for every guest.

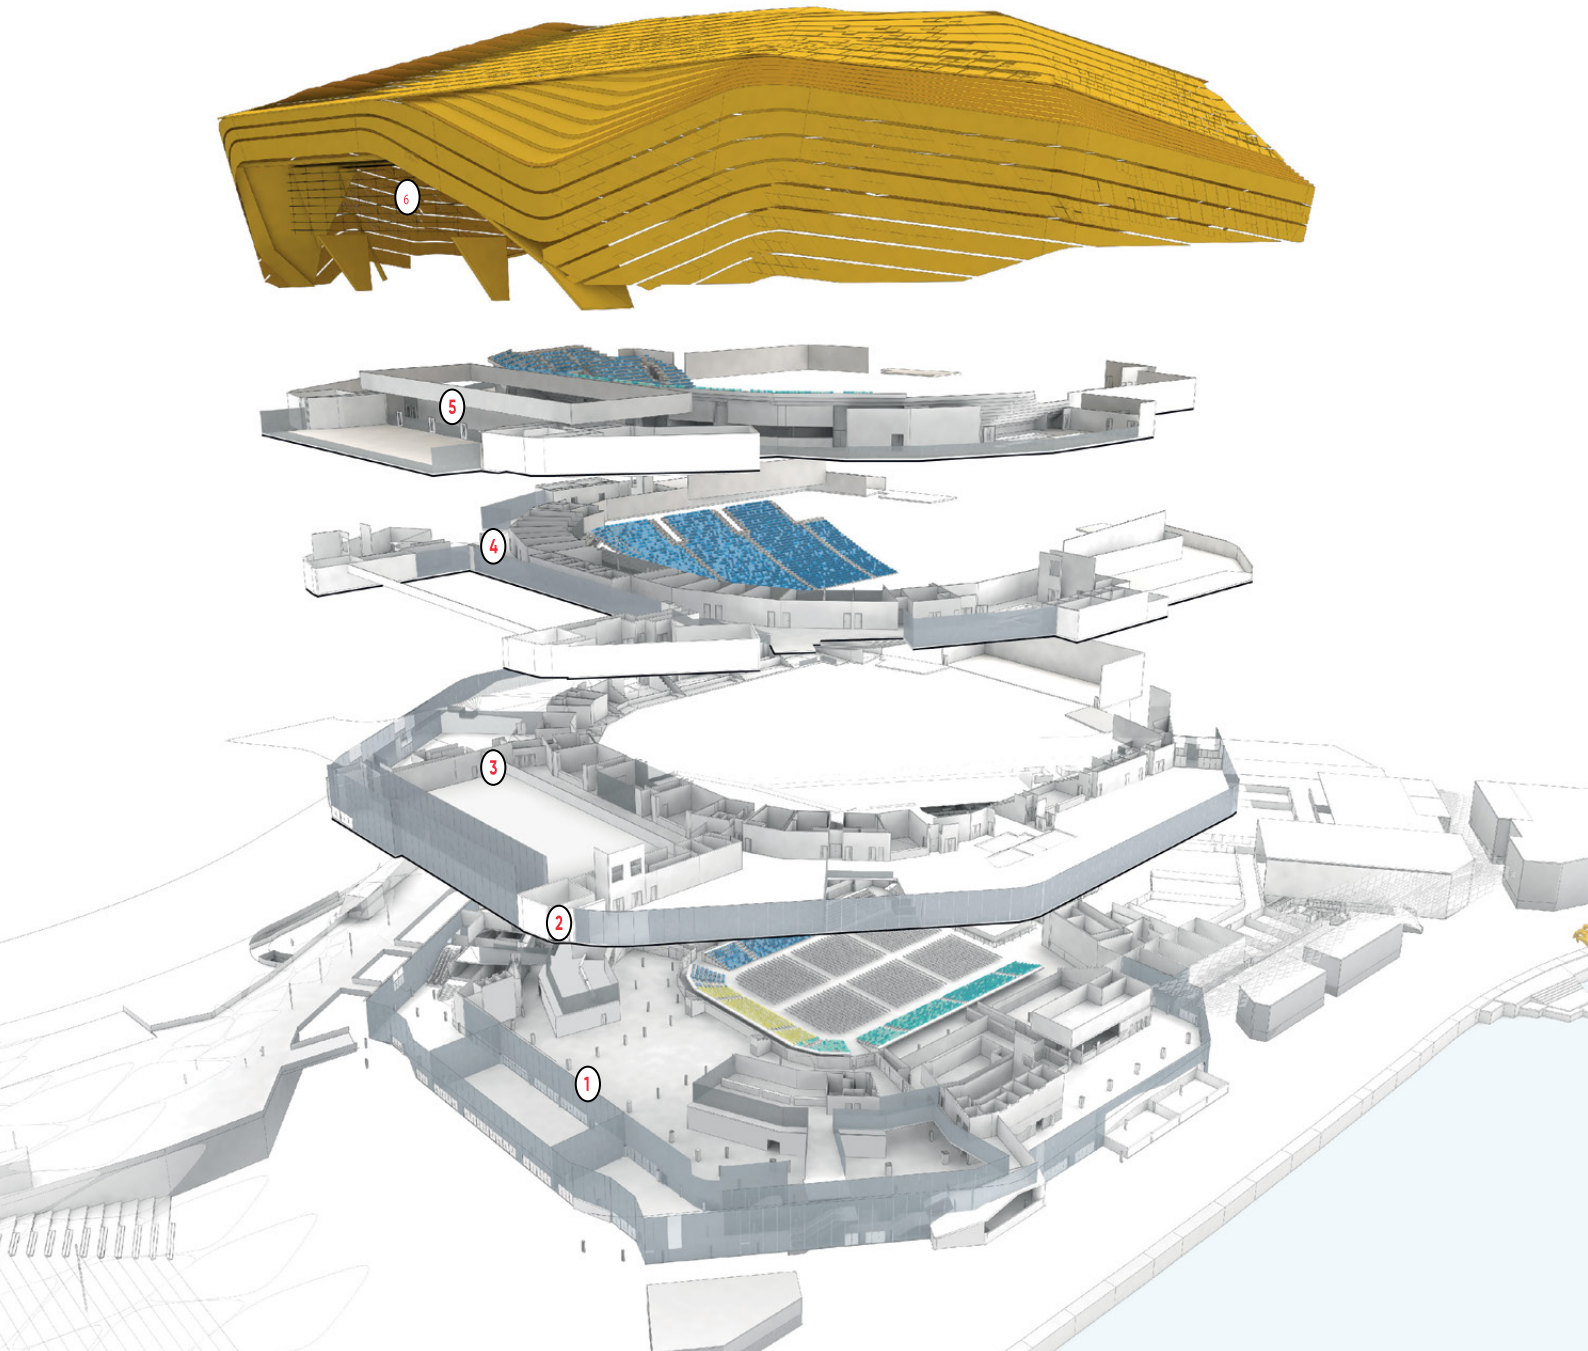

The welcoming nature of the venue is enhanced by the world-class hospitality rooted in traditional Emirati culture. From the initial booking, through to guest arrival and beyond, Etihad Arena's highly qualified team will assist with every need providing unrivalled professionalism, support and attention to detail.

Only seven minutes from Abu Dhabi International Airport and less than an hour away from Dubai, Etihad Arena is the ideal venue for both international and local visitors to enjoy a unique experience at this striking venue.

Proudly positioned on Yas Island, the Middle East's premiere leisure and entertainment destination, Etihad Arena will become the UAE's leading entertainment landmark and enhance Abu Dhabi's position as a global entertainment hub.

VENUE POLICIES

Age Restriction

Visitors under the age of 15 must be accompanied by an adult over the age of 21. All visitors require a ticket. Specific event age restrictions may apply.

Bag Policy

For your safety Etihad Arena has a strict policy regarding the size and type of bags that can be brought into the venue. Bags larger than 35cm x 40cm x 19cm will not be permitted entry and the venue does not offer onsite storage facilities. All bags will be searched as a condition of entry.

Re-entry

Re-entry into the venue is not permitted.

Cameras and Recording Devices

Professional cameras, video or audio recording devices and selfie sticks are strictly prohibited and the venue will not take responsibility for any personal devices that are not allowed into the arena.

Etihad Arena will support any alternative policy deemed by the promoter regarding personal cameras and recording devices on a per event basis.

Ticketing & Box Office

Etihad Arena offers full box office services through an inhouse ticketing platform which must be used for all publicly ticketed events. This ticketing system supports direct purchase as well as sale via several ticketing partners, including:

- Platinumlist
- Book My Show
- Virgin
- Ticketmaster

Re-sale of tickets for any Etihad Arena event is strictly prohibited and illegal.

Smoking

Etihad Arena is a smoke-free venue. Designated outdoor smoking areas can be created on an event by event basis.

Accessible Seating

Etihad Arena offers fully accessible seating in several sectors of the main bowl grandstand. Accessible seating for all events can be booked through the Concierge team.

VENUE POLICIES

F&B

Etihad Arena food and beverage concessions are operated and controlled by the in-house F&B concessionaire with the ability to cater for any event size or type. Arrangements for serving F&B must be agreed directly. It is not permitted to bring any F&B into the venue without approval.

Alcohol

Etihad Arena is a licensed venue and our in-house team can arrange for alcohol to be sold or provided as part of any event. It is not permitted to bring alcohol into the arena without prior approval.

You must be over 21 to consume alcohol in the UAE.

Merchandise

Concession points can be made available on each of the arena level concourses. Merchandise revenue share can be discussed with the events team. Sale is prohibited without prior approval.

Marketing & Communications

Our in-house highly qualified marketing team can assist with all aspects of marketing and communications from strategy to tactical implementation. Event organisers can benefit from a range of preferential rates provided by the venue's media partners and utilize the extensive digital screen network to maximise awareness of an event. The venue's database, social media platforms, website and other CRM channels will be activated to support each event needs with additional paid campaign support available upon request when supported with a budget.

Commercial & Sponsorship

Etihad Arena has permanent venue partners across various sponsorship categories. The venue's commercial team can support in negotiating any additional and individual partnerships that complement events held at our venue.

VIP Suites are sold and managed by the Commercial team and should be considered off manifest unless otherwise discussed with the venue. Suites cannot be resold.

Insurance

Third party event liability insurance is required.

FACILITY INFORMATION

Seating

Flexible seating options allow for multiple configurations including a full 360 set-up using fixed, retractable and temporary grandstand seating.

Retractable seating can be extended for maximum capacity or can be either partially or fully retracted dependent on the event floor size required.

GA, GA+, Club, VIP and floor seats enable a combination of ticketing categories and scaling.

GA	Standard cushioned flip up seating
GA+	GA seats with higher seat back and additional leg room
Club	Armchair seating with cup holder, higher seat back and additional leg room
VIP	Club seating with additional leg and arm room within private suite allocation
Floor	Folding chairs with cushioned seats and backs
Grandstand	Temporary and moveable grandstand with GA style seating

Staging

Etihad Arena owns a flexible main performance stage package which includes front of house platform. Modular decks of 1.22 x 2.44m per deck can be configured to a maximum size of approximately 500sqm with a height range of 1.2m – 1.93m .

House A/V & Comms

Venue Wide A/V:

A dedicated control centre manages the distribution of content Between 240 LCD screen and 28 LED screen , managed by Cisco Vision able to control specific content across multiple platforms within the venue including various sized digital screens and ribbon boards.

UHF Digital Radio system is available including integration to coms and console dispatcher. Handheld devices can be arranged dependent on event requirements. Subject to availability. Please note that touring radio equipment may be subject to local authority (TRA) approval and licensing fees.

Ten wireless clear comms talk back units for event mode communication inclusive of accessories.

Assisted Listening / SIM Trans System (forty units) is available for use, designed for hearing impaired guests and with the ability to configure for use as multi-language spoken translation of up to six languages.

FACILITY INFORMATION

Main Arena A/V:

A Sports Event Designed Lighting system exists with an average LUX Level of 2000+ for live broadcast requirements. The venue offers four (4) units of 4K professional follow spots, The main bowl setup has screens mounted in a standard center cube configuration that can be separated and repositioned as stage left and right IMAG/Delay screens.

The main bowl has a general PAVA system installed. For any specific show content or event show format, the use of a larger tour grade system is required (options available inhouse).

Club Lounge A/V:

This space is deigned to cater for press conferences, breakout rooms and corporate style meetings and events and can be used in full or divided into 3 individual and private sub sections.

Each section contains a large High-Resolution LED presentation screen, with self switchable access to run multiple HDMI sources from either the main control or via floor input panels.

Each section is equipped with ceiling mounted BOSE speakers and additional column speakers on the side each of the screens.

A combination of up to ten (10) Handheld or Lapel wireless microphones can be configured to operate over the 3 sections with the capacity to add a separate mixer and source microphones or content playback should the requirement exceed the available 10 wireless units.

Technical Production Services:

For any extension of the above in-house capabilities Etihad Arena works with several professional industry partners to provide complete production solutions.

Operation of in-house equipment is subject to venue approval and availability.

Rigging

A fixed mother grid with full bowl footprint of sixty metres (60) x forty metres (40) caters for all show configurations and an additional ten-metre (10) bay allows further rigging at end stage position.

All primary rigging must be carried out by the in-house rigging services supplier. Secondary rigging will require prior approval and supervision by this in-house team.

FACILITY INFORMATION

Curtains & Draping

Etihad Arena is designed to offer fully flexible bowl reduction through the use of drapes to achieve configurations that include:

- Removal of Upper Tier
- Club Seating only
- Three Quarter House Mode, Half House Mode, Quarter House Mode and Theatre Mode
- The venue also owns pipe and drape to cater for individual requirements.

Special Effects

Special effects and pyrotechnics permits can be arranged following consultation with the in-house team. Please note that SFX may require isolation of emergency suppression systems and is at the discretion of Venue Management and Local Authorities.

Power

400amps of power is provided stage left and 360amps stage right, offering a total supply of 760amps technical show power.

All power is UAE standard 220v.

Access is via the main distribution boards either side of main stage area to be distributed as required for all Lighting/Video/Audio/Rigging.

Additional supply requiring temporary power generators can be arranged.

Rigging or AV power required within the roof grid area will be included in the total 760amp calculation and is accessed via 32amp CEE form sockets.

Secondary distribution will be included to in-house equipment only. Additional distribution can be supplied via 3rd party supplier subject to venue assessment and discretion.

Plant

Hire of Etihad Arena includes use of various venue equipment, including cherry pickers, scissor lift and forklifts (operators not included). Additional plant can be procured dependent on event requirements.

Loading Bay

The venues 690 square metres rear loading area is at ground level with no permanent ramp. All production load deliveries will require use of the inhouse temporary ramps or forklift for loading /unloading. Where possible equipment should therefore be palletized or housed in mobile flight cases. Two (2) elephant doors are available for use sized 4m x 4m

Dressing Rooms & Green Room

A combination of dressing room, green room, changing, locker and office space is available for use offering direct, secure and private access to BoH and FoH areas. Full requirements can be discussed with the events team.

FACILITY INFORMATION

VIP Lounges & Suites

Use of and access to the venue's private and luxury Lounges and VIP Suites can be discussed with the events team.

Parking & Transport

The arena offers onsite and immediate vicinity parking and is supported by public bus routes and the Abu Dhabi Transport and private taxi networks.

Health & Safety

Etihad Arena will discuss appropriate health and safety provisions based on event requirements and can arrange for an advisor who will support events teams at each stage of the process.

First Aid

The venue is fully equipped with basic first aid facilities and staffing options, relevant to the nature and size of each event. Additional requirements for non-event days can be discussed with the events team.

Internet

Standard wifi is included within the venue hire of Etihad Arena. Requests for specific bandwidth or dedicated lines outside of this can be discussed with the events team.

Security

A general and sufficient deployment of security will be in place for access and build up days. Additional show security services will be discussed and agreed on a per event basis.

Furniture

The venue offers use of a variety of furniture which can be discussed dependent on event type and size. Preferred suppliers with competitive market rates can be provided for additional or specific requirements.

Guest Services

Guest services staff, including ushers, can be discussed with the events team on an event by event basis to ensure sufficient and suitable operational coverage.

Barrier & Fencing

Concert standard MOJO Barriers are available, inclusive of gates and corner modules. Police barrier and tensor barrier can also be provided for use.

MAIN BOWL

OVERVIEW

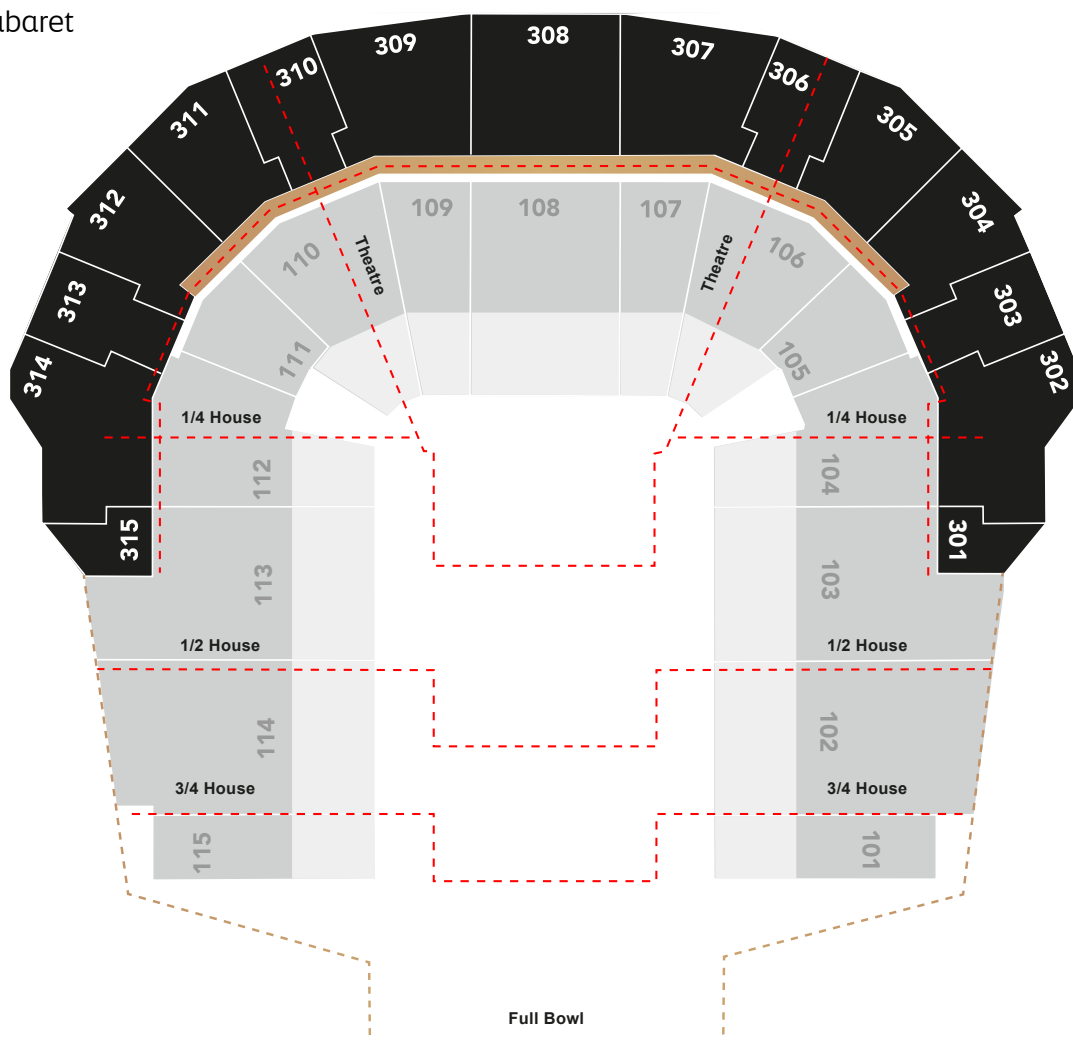

The arena's main bowl is easily adaptable for multiple event configurations using a drape reduction system. This system allows the upper tier to be blocked off as well as individual sectors on the lower tier depending on the targeted capacity and event type.

The size of the bowl's rigging grid allows for almost unrestricted placement of in-house draping and is designed to create the following key modes:

- Theatre Mode
- Quarter House Mode
- Half House Mode
- Three Quarter House Mode
- Full Bowl

These varying modes enable the venue to accommodate any set-up including:

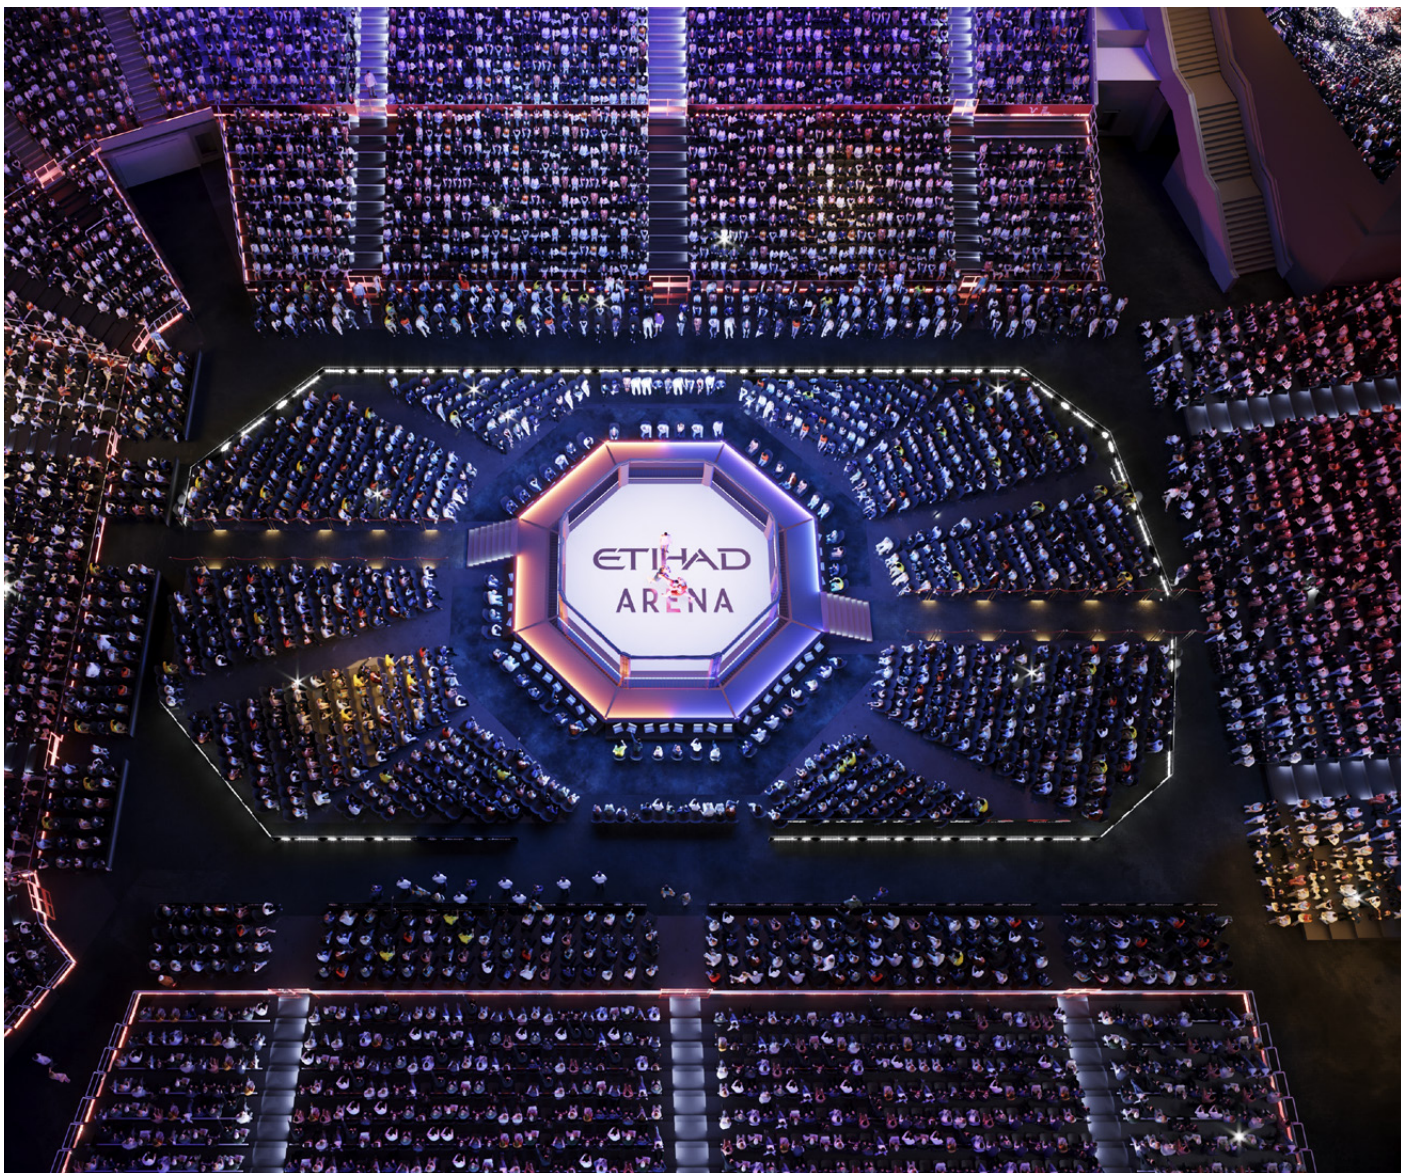

- Concert
- Theatre / TED Talk
- Sports
- Conference / Exhibition
- Gala / Cabaret

CLUB LOUNGE

OVERVIEW

The arena's club lounge is easily adaptable for use as a large 1,200sqm space that can also be reduced into three separate sub sections of 400sqm each.

Acoustic rated and sound proofed temporary partitions can be placed to create these sub sections as well as provide a wholly private function room with pre function area on entry.

Each sector is able to operate with independent AV or collectively as a maximised space with dedicated AV room and seven metre double height ceiling.

The Ballroom also offers access to a large full-width private terrace overlooking the main entrance plaza and Yas waterfront.

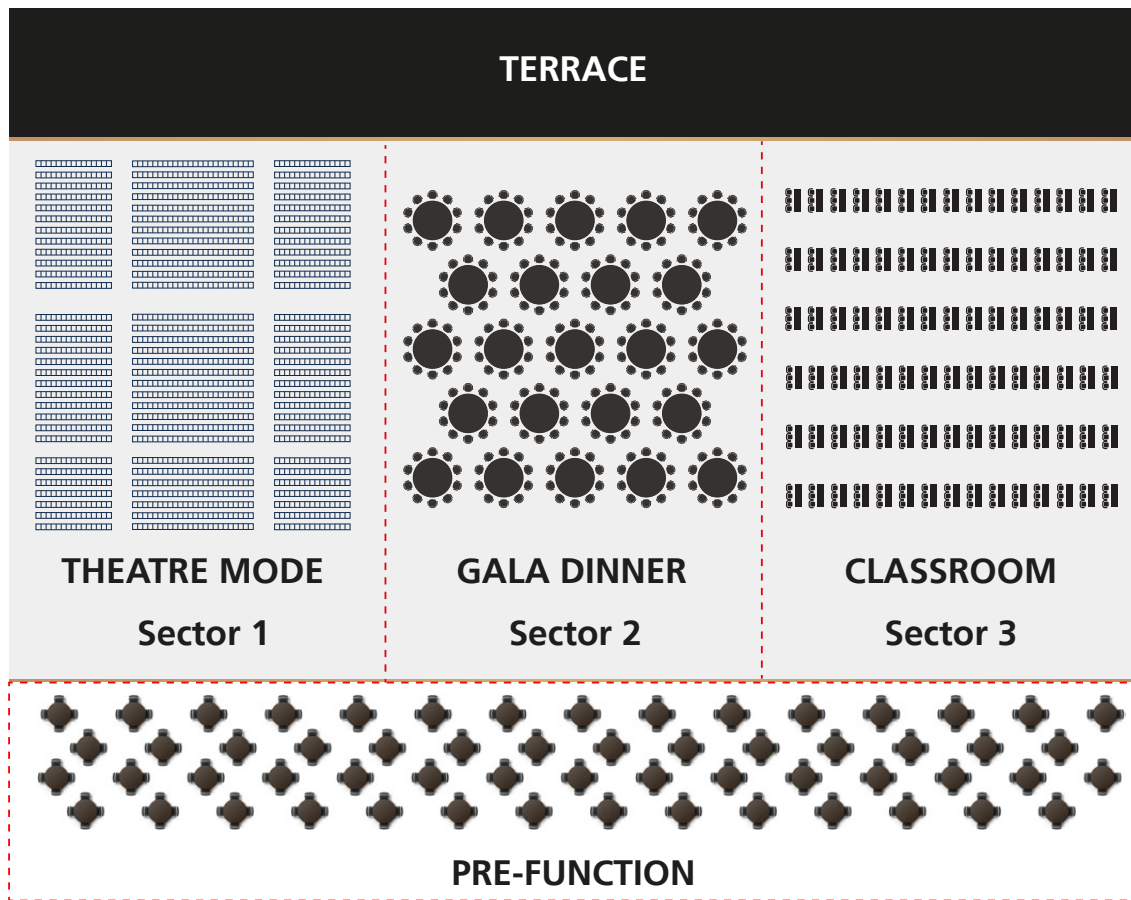

The space can be rented independently within the venue to host:

- Conferences
- Balls / Gala dinners
- Weddings
- Corporate events

Positioned on the event level, the club lounge can also be included in Main Bowl rental to function as a private club or VIP Lounge.
